- Increase the number of positive response rates on the School Climate and Connectedness Survey in the areas of peer climate, school climate, school safety, student involvement, and parent involvement.

2020-21 School Board Self-Improvement Plan:

- Work to improve recognition of students and staff
- Work to update the Superintendent evaluation process
- Take advantage of training opportunities

GUIDING PRINCIPLES FOR THE BOARD

1. The Board's primary focus is student achievement and success.
2. Every effort will be made to maintain a comprehensive educational program.
3. Securing adequate resources is essential to the district's ability to support its program.
4. The Board will promote the shared responsibility of education with parents, community and students.
5. There will be a consistent effort to eliminate barriers to learning for all students.
6. The Board will maintain an awareness of the impact of change on staff as they make decisions for the district.
7. The Board will implement a technology supported educational program that promotes creativity, individualism and diversity.
8. The Board recognizes the importance and value of early childhood development and education on student achievement and success.
9. We believe that a systematic, transparent budgeting process is foundational to the operation of our public schools.
10. Professional learning opportunities are essential for all staff.
